DWD Serves Breakfast to Newton County WorkOne-Winners of Food Drive

On Friday, December 14th many DWD staff from Indy converged on Morocco, chef hats and all! They arrived fully armed with pancakes, eggs, sausage, bacon waffles, coffee, and juices. Newton County WorkOne staff was treated to a full breakfast as the winners of the most food collected during DWD's *Food to the People* challenge.

Newton County donated their food collection to the Newton County Christmas Project and the Newton County Food Pantry. CONGRATS ONCE AGAIN TO MOROCCO!

So, You Have a Question? Check out the new FAQ Section!

This past November, we asked for input regarding barriers impeding your work with customers. Many of you asked questions, cited concerns, and in some cases provided possible solutions.

We urge you to visit "Frequently Asked Questions" under Region 1 Staff Resources at www.innovativeworkforce.com website (Regional Operator site) for answers to many of the questions we received. At the end of the document you'll get information on who you could contact with relation to a question you'd like answered. We plan on using this site and method as a means for more broad-based communication, so we encourage you to use this site and visit it for updates to questions and concerns you may have!
